Meet Dahiemma

YOUR CLIENT SUCCESS CONSULTANT

Dahiemma Smith is a Client Success Consultant at BELAY who walks alongside clients as they grow. She acts as a guide and advocate, helping them work through challenges and move forward with clarity so they can focus on what matters most.

Q: What does a Client Success Consultant do at BELAY?

“My role directly supports the client experience. When a Client Success Consultant shows up, clients know they have an advocate and a partner.”

“We help ensure their goals are met, navigate challenges, offer best practices, and provide suggestions to help them move from one stage of their business to the next.”

Q: What do you love most about your work?

“I love when clients tell me, ‘I’m so happy I don’t have to think about that anymore,’ or share that they’re finally able to take a vacation or spend time with their children.”

“It’s such a great feeling to know we’ve addressed those pain points – the things that have been keeping them up at night – and I’m part of the solution. It’s wonderful to be a part of it.”

Q: How do you support clients through challenges?

“We focus on providing options and being a resource. We don’t say no very often – we have so many ways to say ‘yes.’

“Being able to help clients navigate challenges and move forward with confidence is one of the best parts of the role.”

“It’s such a great feeling to know we’ve addressed those pain points – the things that have been keeping them up at night – and I’m part of the solution.”
