

# THE BELAY DIFFERENCE

Trusted Financial Solutions customized to meet your needs.

**Who is BELAY?** Choosing BELAY Financial Solutions means choosing:

**1 U.S.-based Financial Experts** ready to get you out of the books and focused on growth.

**2 Strategic financial insight**, not transactional bookkeeping or faceless automations.

**3 Scalable support** that meets every stage of your business; from basic bookkeeping to full-service outsourced accounting

**4 Over 14 years of award-winning service** for clients who want the best of the best.

**5 Specialized talent** with experience in areas like inventory management, complex service-based companies, Saas, tech-startups, and more.

**What Financial Solutions Does BELAY Offer?**

## BOOKKEEPING

- Clean up historical transactions
- Account reconciliation
- Accurate, timely reporting
- Tax-ready financials

## ACCOUNTING CLERK

- Streamlined AP and AR workflows
- Data entry & reporting
- Invoice processing
- Expense tracking

## CONTROLLER

- Reliable financial oversight
- KPI tracking & growth planning
- Budgeting & forecasting

## FULL-SERVICE OUTSOURCED ACCOUNTING

- Custom financial teams for complex businesses
- Industry-specific solutions
- Proven systems to help you scale

## SPECIALIZED ACCOUNTING SERVICES

- Full-Service Payroll
- Fractional CFOs
- Tax Services
- Inventory Consulting

Monthly pricing varies based on scope and service level. Basic bookkeeping packages start around \$700 per month with larger, team-based outsourced accounting engagements averaging from \$2,500 per month. All agreements have a one-time implementation fee and are fully flexible with a 30-day cancellation notice.

**How Do I Get Started?** Here's How It Works:

### STEP 1

#### Hire BELAY.

We learn about your financial goals, pain points, and current process. Then we match you with the right Financial Experts or services for your business.

### STEP 2

#### Implementation & Onboarding.

We clean up your books, streamline your workflow, and implement scalable, cloud-based financial systems.

### STEP 3

#### Ongoing Strategic Support.

Your Financial Experts and Client Success Consultant (CSC) ensure continued alignment and results – scaling up or down as needed.

**WITH BELAY, YOU GET A TRUSTED FINANCIAL PARTNER.**

After over 14 years of delivering exceptional support, BELAY understands what growing organizations truly need in their finances: clarity, accuracy, and confidence.

Our U.S.-based Financial Experts help business leaders move from reactive bookkeeping to strategic financial leadership with solutions that are seamless, strategic, and built to scale with you.
